This is a decision on the petition pursuant to 37 C.F.R.
§ 1.181(a) to withdraw the holding of abandonment, filed on
April 18, 2008.

The Change of Correspondence Address received on August 21, 2008
has been entered and made of record.

The above-identified application became abandoned for failure to
submit corrected drawings in a timely manner in reply to the
Notice of Allowance and Issue Fee Due, mailed February 4, 2005,
which set a shortened statutory period for reply of three
months.¹ No extensions of time are permitted for transmitting
formal drawings.² Accordingly, the above-identified application
became abandoned on May 5, 2005. A Notice of Abandonment was
mailed on August 3, 2005.

With this petition, Petitioner has asserted that that corrected
drawings were submitted concurrently with the issue fee on May
2, 2005. Petitioner has submitted both a copy of this response
and a postcard receipt that establishes that "dgs. 8.5" X 11" /

¹ It is noted that the issue fee was timely received on May 2, 2005.

Decision on Petition pursuant to 37 C.F.R. § 1.181(a)

A4 size, 2 soft/ 2 sheets FIG(S)" was received in the Office on May 2, 2005.³

Considering the facts and circumstances of the delay at issue, as set forth on petition, it is concluded that Petitioner has met his burden of establishing that a response was timely submitted. It appears that this submission was subsequently misplaced in the Office.

Accordingly, the petition under 37 C.F.R. § 1.181(a) is GRANTED. The holding of abandonment is WITHDRAWN.

Pursuant to this decision, the Office of Patent Publication will be notified of this decision so that the drawings submitted concurrently with this petition can be processed, and so that this application can be processed into a patent.

Petitioner may find it beneficial to view Private PAIR within a fortnight of the present decision to ensure that the withdrawal of the holding of abandonment has been acknowledged by the Office of Patent Publication in response to this decision. It is noted that all inquiries with regard to any failure of that change in status should be directed to the Office of Patent Publication where that change of status must be effected - the Office of Petitions cannot effectuate a change of status.

Telephone inquiries regarding *this decision* should be directed to the undersigned at (571) 272-3225.⁴ All other inquiries concerning the status of the application should be directed to the Office of Patent Publication at 571-272-4200.
